

# Driving Molecular Imaging innovation with “FAPI”

Symposium co-sponsored by SOFIE and GE HealthCare

TIME: Sunday, June 9, 2024, 6:30-8:30pm  
ROOM: South Building, 700 Level, Room 718A

VENUE: Metro Toronto Convention Center  
SNMMI'24 annual meeting, Toronto (CAN)  
Refreshments will be provided

TIME	SCIENTIFIC AGENDA	SPEAKERS
6:30 – 6:35pm	Introduction & speakers presentation	Chair/Host: <b>Paul Evans</b> (Head of Global R&D, GE HealthCare) <b>Sherly Mosessian</b> (Chief Scientific Officer, SOFIE)
6:35 – 6:50pm	Current state of FAP imaging: technology vs research applications	<b>Andrew Scott</b> (Olivia Newton-John Cancer Research Institute, Melbourne, AUS)
6:50 – 7:30pm	Perspectives on FAPI* Phase II progress	<b>Shadi Esfahani</b> (Massachusetts General Hospital, Boston, USA)
7:30 – 7:45pm	The pivotal role of Fibroblasts in Inflammation and Fibrosis	<b>Olivier Gheysens</b> (Cliniques Universitaires Saint-Luc UCLouvain, Bruxelles, BE)
7:45 – 8:15pm	Panel discussion: Fibroblast-targeting therapeutic strategies in Cancer, Inflammation and Fibrotic diseases	Panel's Chair/Moderator: <b>Andrew Scott</b> <ul style="list-style-type: none"><li>• <b>Josie Gayton</b> (Chief Development Officer, Precirix)</li><li>• <b>Philippe Legenne</b> (Chief Medical Officer, Molecular Partners)</li><li>• <b>Stephen Moran</b> (Global Program Head &amp; Platform Lead, Radiopharmaceuticals, Novartis)</li></ul>
8:15 – 8:25pm	Q&A	All
8:25 - 8:30pm	Wrap up and greetings	Chair/Host: <b>Paul Evans</b> (Head of Global R&D, GE HealthCare) <b>Sherly Mosessian</b> (Chief Scientific Officer, SOFIE)
